

VICTOR VALLEY TRANSIT AUTHORITY

RIDERS ALERT 05 - 12

NTC EXPRESS BUS ROUTES

Beginning Monday, May 21, 2012 all morning departures will leave their bus stops fifteen (15) minutes earlier. This will allow for the buses to arrive at Fort Irwin fifteen (15) minutes earlier thereby allowing workers to get to their places of employment on time. There are currently no changes planned for the afternoon schedule

VVTA was using the arrival times printed on the Fort Irwin webpage as its guide for designing the VVTA schedules and apparently these were incorrect or outdated. VVTA apologizes for any inconvenience this may have caused our valued riders. A new revised printed and web schedule will be available and distributed by Thursday, May 17th.

There will be more improvements in the next few months as VVTA identifies additional challenges and opportunities in meeting our riders' needs.

VVTA values your input. Please send comments and suggestions to info@vvta.org.
