# VVTA gives you much more than transportation...

## Fixed-Route Service

VVTA is dedicated to providing quality, cost-effective, public transportation services to residents of the Victor Valley. For some people, our fixed-route transit service is the most convenient service.

### VVTA's fixed-route service provides residents with:

- Lift-equipped buses,
- Priority seating for seniors or disabled persons,
- Travel Training,
- Bus Stop Announcements,
- and Trip Planning Assistance.

For more information about our flexible, safe, and reliable transit service, please call (760) 948-3030. To receive personalized training on how to plan your trip, ride the bus, and save time and money, call (760) 948-4021 to partner with a Bus Buddy.

To learn more about VVTA's Bus Buddy program, go to [www.VVTA.org](http://www.VVTA.org).

## Direct Access Service

For few others, our Direct Access paratransit service is the answer. The Americans with Disabilities Act (ADA) ensures that persons with disabilities receive "the same mass transportation service opportunities everyone else receives."
