

NTC COMMUTER SAVES YOU \$300

Amount may vary depending on the vehicle you drive.
During an April 2013 survey most NTC Commuters saved an average of \$200-\$400 per month on fuel.

34%

Thirty four percent of people surveyed were unaware that the MTBP (Mass Transit Benefit Program) maximum benefit has increased to \$245.

FACT:

Starting May 2013 NTC Commuter riders utilizing the MTBP will have no out of pocket expenses.
